

EAN Research Fellowship Interview of host department with possible fellowship grantee

Possible setting for this interview:

Online or in-person meeting of about 15 minutes, performed by host department head + future mentor (and ideally 1-2 other members from the host department).

1) Open questions (ice breakers) from host to applicant

- a) What parts of the broad specialty of neurology are you attracted to most, and why?
- b) What are your plans after completion of your residency program?
- c) Did you have a special positive experience in your career already, and can you tell us about it?
- d) Did you have a bad experience, and how did you handle this?
- e) Is there anything you would do differently next time?
- f) What are you really good at compared to your fellow residents?
- g) Why have you chosen the EAN fellowship programme?
- h) Do you have any questions for me/us?

2) Knowledge/expertise of applicant *(suggestion to use only internally for host to check if applicant can do the work in the department with knowledge of foreign language)*
